You will be glad to know that an innovative venture is going to be explored about the flourishing twin cities of Cuttack and Bhubaneswar very shortly. Minute reports phase by phase will be released in the form of a feature magazine, entitled 'twincity plus' in full color. The magazine will cover Events (last month & the next), Eating out (best restaurants- Chinese, Tandoori, South Indian etc.), Shopping, Entertainment, Art & Craft, Hot spots etc. Branded writers, thinkers, educationists, scholars, researchers, social activists, architects, physicians, corporate wizards, journalists and veterans of all other dimensions are being associated with this enlightening mission.

To move on the wheel, the magazine will appear in its conch-blowing issue with the special (cover) topic of 'child education'. We will publish some interviews from guardians, students, teachers, principals and bureaucrats etc. Apart from sale we will distribute to corporates through our campaign for Yellow Pages in both cities.
