

# ENCOURAGING PASSIONS OF GEN

**SAI INTERNATIONAL SCHOOL**  
BHUBANESWAR

To unleash the creative hidden talents of the Generation 'Y' of SAI International School, the student senates of the twenty one clubs were inducted in a ceremony held at the Indraprastha Auditorium of the School on July 24, 2013. The new office bearers were acknowledged in their coveted positions by the Chief Guest Shri Vishal Dev, Chairman & Managing Director of IDCO and Vice Chairman, BMC.

The felicitation ceremony of the office bearers was followed by the Chief Guest's address in which he congratulated the newly inducted teams of Presidents, Vice presidents and Secretaries for each club. He said that, "it is in this period of your life that you need to inculcate hobbies and passions which will be cherished at a later stage of your life." He urged the students to evolve new strategies and develop concepts in each club as sky is the limit.

SAI International School offers a wide variety of clubs and extracurricular activities in its campus, from elementary school to high school. The Clubs at SAI International aim to further enrich students' curricular experiences by offering extracurricular opportunities to continue learning and service outside of the classroom. Students are encouraged to participate in clubs that match their interests.

Whether a student is interested in service, curriculum-related or special interest clubs, they will find activities that enrich learning. This year, SAI International has installed four new clubs in its already impressive array of opportunities that are cocooned in these clubs. A team of five members from the senior secondary and secondary will be leading the club offices from the forefront.
